

Licensed Tree Expert Directory 2017 - 2018

The Board of Tree Experts is in the process of updating the on-line Tree Expert Directory. The “new” Directory will provide Tree Expert Services by Licensed Tree Experts for the public to find and use. The Directory in the future will be expanded to include Licensed Tree Care Operators and Tree Care Businesses.

Under the Tree Experts and Tree Care Operators Licensing Act, tree care services offered by Licensed Tree Experts are listed below.

Please complete this form by filling in the blanks below and circling your choice of services and service areas at the bottom of the form. This information will be available on the web to the public. The old CTE listing will not be used and only those forms received by the Board will be listed in the new directory. Yearly updates are anticipated, but it will be the responsibility of the LTE to provide the Board with updated information.

Please note that information preceded by an asterisk (*) is for Board use only and will not be made available to the public.

PLEASE fill out the form even if you don't want your name listed, the Board is looking to update its database with accurate information and email addresses so communication with Licensed Tree Experts in the future will be timely.
